About Nisbet Plantation

Nisbet Plantation Beach Club is the Caribbean's only deluxe plantation inn located directly on the beach. It is also one of the Caribbean's historic sugar plantations and the ancestral home of Fanny Nisbet, the loving and ever-faithful wife of Britain's most famous naval hero — Lord Admiral Horatio Nelson.

The plantation's beautifully-restored Great House, which dates from 1778, and 36 charming cottages all with modern conveniences are set in 30 acres of lush tropical foliage. The resort recently completed a multi-million dollar renovation.

Nisbet Plantation was named the #1 Luxury Resort in the Caribbean and Latin America and #6 in the World in the 2008 TripAdvisor Travelers' Choice Awards. Condé Nast Traveler's readers rank Nisbet in the top 3 of all Caribbean resorts. From AAA, Nisbet has garnered two 4-Diamond Awards — one for the hotel and one for the Great House dining room — one of only two air-conditioned dining venues on Nevis. If customer satisfaction is the key measure of the quality experience a guest receives, then it is important to note that Nisbet Plantation is one of the Top 10 Caribbean hotels based on reviews posted on TripAdvisor.com and one of only a handful of hotels to receive a Perfect 5.0 Rating.

About Nevis

This 36-square-mile Caribbean island lies near the top of the Lesser Antilles archipelago, about 200 miles south of Puerto Rico, and just west of Antigua. This island jewel is approximately 7 miles long and 5 miles wide, with natural vegetation that is unparalleled. Nevis is one of the remaining unspoiled places on earth.

From the top of the 3,232-foot Nevis Peak created by the only shield volcano in the Caribbean, to the depths of the clear waters offshore, there is a world of flora and fauna to be explored.
