**About Nisbet Plantation**

Nisbet Plantation Beach Club is the Caribbean's *only* deluxe plantation inn located directly on the beach. It is also one of the Caribbean's historic sugar plantations and the ancestral home of Fanny Nisbet, the loving and ever-faithful wife of Britain's most famous naval hero — Lord Admiral Horatio Nelson.

The plantation's beautifully-restored Great House, which dates from 1778, and 36 charming cottages all with modern conveniences are set in 30 acres of lush tropical foliage. The resort recently completed a renovation and installed an artificial reef to prevent beach erosion.

Nisbet Plantation was named the #1 Luxury Resort in the Caribbean and Latin America and #6 in the World in the 2008 TripAdvisor Travelers' Choice Awards. Nisbet has been ranked by *Condé Nast Traveler's* readers in the top 3 of all Caribbean resorts. From AAA, Nisbet has garnered two 4-Diamond Awards — one for the hotel and one for the Great House dining room — one of only two air-conditioned dining venues on Nevis.

**About Nevis**

This 36-square-mile Caribbean island lies near the top of the Lesser Antilles archipelago, about 200 miles south of Puerto Rico, and just west of Antigua. This island jewel is approximately 7 miles long and 5 miles wide, with natural vegetation that is unparalleled. Nevis is one of the remaining unspoiled places on earth.

From the top of the 3,232-foot Nevis Peak created by the only shield volcano in the Caribbean, to the depths of the clear waters offshore, there is a world of flora and fauna to be explored.
