NISBET PLANTATION, NEVIS, OFFERS GUESTS FREE PRIVATE WATER TAXI TRANSFERS

NEVIS — Starting November 18, American Airlines will be flying nonstop from New York to the two-island nation of St. Kitts & Nevis. Flights will originate from JFK and deliver vacationers to Robert Llewellyn Bradshaw International Airport (RLB) in St. Kitts. From there it is only a short private water taxi ride to sister island Nevis and Nisbet Plantation.

To celebrate Nisbet Plantation Beach Club being easier than ever to get to, the hotel is offering any guest flying into RLB free private water taxi transfers from St. Kitts to Nisbet Plantation. “Many of our guests insist that arriving by water is the most scenic and romantic way to arrive at one of the best hotels in the Caribbean,” says Glen Hurd, General Manager of Nisbet Plantation Beach Club. Nisbet is extending this offer to any guest flying to St. Kitts — not just those arriving on the new AA JFK service. Guests must book at least seven nights and stay between November 19 and December 19 to receive two round-trip transfers on Nisbet’s private water taxi. The **FREE** water taxi transfers are a \$400.00 value!

The new American Airlines route will be served twice weekly, with Boeing 757 flights each Wednesday and Sunday.

About Nisbet Plantation

Nisbet Plantation Beach Club is the Caribbean’s *only* deluxe plantation inn located directly on the beach. It is also one of the Caribbean’s historic sugar plantations and the ancestral home of Fanny Nisbet, the loving and ever-faithful wife of Britain’s most famous naval hero — Lord Admiral Horatio Nelson.

The plantation’s beautifully-restored Great House, which dates from 1778, and 36 charming cottages all with modern conveniences are set in 30 acres of lush tropical foliage. The resort recently completed a multi-million dollar renovation.

Nisbet has two AAA 4-Diamond Awards — one for the hotel and one for the Great House dining room — one of only two air-conditioned dining venues on Nevis. If customer satisfaction is the key measure of the quality experience a guest receives, then it is important to note that Nisbet Plantation is one of the Top 10 Caribbean hotels based on reviews posted on TripAdvisor.com and one of only a handful of hotels to receive a Perfect 5.0 Rating.

About Nevis

This 36-square-mile Caribbean island lies near the top of the Lesser Antilles archipelago, about 200 miles south of Puerto Rico, and just west of Antigua. This island jewel is approximately 7 miles long and 5 miles wide, with natural vegetation that is unparalleled. Nevis is one of the remaining unspoiled places on earth. From the top of the 3,232-foot Nevis Peak created by the only shield volcano in the Caribbean, making it one of the most challenging climbs, to the depths of the clear waters offshore, there is a world of flora and fauna to be explored.
